(Written by Paramguru for Karta)

Aho Naatha Naaham Jaanaami Jaanaami, Mandam Mam Matiyam Tamo Sad Gatiyam;  
Hohu Aapaku Sarvam Pahechaanam Divyanam, Tanu Tatve Taayam Ratiyam Ratiyam...1

(While worshipping Kaival Karta, Paramguru says, "Oh Kaival Karta I don't know your ways and how you work because I am not intelligent enough to know your skills." You are omnipotent and always doing the right thing, that is why you are the only one aware of every ansh (soul) embodied by the 5 eternal elements in all 14 worlds.\* The five eternal elements are the five elements that make up any body.)

Aho Naatha Naatham Nirvaanam Niraalamba, Trikaalam Nihaalam Vikraalam Nayeti;  
Saswam Sarva Bhootaanam Sapraanam Satantram, Vitrenam Vrataarnam Kartaaram Sakheti...2

(Paramguru says, "Oh Kaival Karta you are devoid of all illusions, you govern over all the 84 million types of species with the help of Pranav Ohmkar (Breathing System)" No one is able to describe your personality into words meaning. You are undescrivable you are a total and devine personality, and you are able to see all the anshes living in the present, past, and future. Not even the Vedas and Holy scriptures can describe your personality in words, and get satisfaction. This is why they themselves admit thier inability to decribe Kaival Karta. You are the only creator of the universe and govern the entire universe independently with the help of Pranav Ohmkar ,(Breathing system).

Aho Naatha Ho Tuma Vidhyaanam Sidhantam, Vittam Sat Nidaanam Samaanam Dhaanaami;  
Shravyaanam Mantrenam Kledam Vham Aantrenam, Chaitanam Karanaaram Prenantam  
Namaami...3

(Paramguru say, "Oh Kaival Karta you are master of all sciences nothing remains unknown to you. You are the real contoller and creator of the Soham Pranav, which is the root of all 14 sciences. You have inspired my heart with the amar mantra, the eternal hym which logically represents the relationship between the ansha and the anshi (Ansh is anshes of the universe and anshi is Kaival Karta). Kaival Karta I worship you with folded hands.)

Aho Naatha Swaadham Sarvagynam Na Vaadam, Anantam Aghaadam Bodhantam Sanaadu;

(Paramguru says, Oh Kaival Karta you are omnipotent and omnipresent, meaning that you can be everywhere and anywhere all the time without being seen. So you govern all the 14 worlds with the help of the pranav ohmkar (Breathing System). You eternal as you are the master of all 14 worlds and you have created all anshes in this universe full of joy and pleasure. These anshes utter the primitive language of pranav ohmkar, breathing system and you have created this. You have created this intire universe out of your self naturally. You are the only one here in the beginning and the end.)

Aho Naatha Aaram Punipada Paaram, Nodhaaram Aodhaaram Apaaram Nirantu;  
Tatva Swam Samaasam Akhandam Anaasam, Samrutam Salolam Utpanna Tam Karantu...5

(Paramguru says, "Oh Kaival Karta you take rest for one kalpa after ingrossing the universe and then you agian create the universe. You yourself are the only support of this helpless ansh, and only you work for there welfare. I worship you sincerely and wish you to remain eternal and devoid of age after ingrossing all the elements and anshes into your own person. )

(Paramguru say, "Oh Kaival Karta taking your luminous glory into consideration, you are the king of all the universes. Your kingdom prevailes in all 14 worlds no one can say who you are or how you exist. Yet these 14

worlds have come into existence with your help and the light which has come out of you, the Bram Prakash. You are all alone up to now taking the beginning the middle and the end of the universe into consideration, your creative energy seems to be limitless there is no end to your magistic glory.)
